[Read Customer Reviews](#)

Rubber sole

Heel measures approximately 3.75 inches"

SIZE DOWN for comfort!

DURABLE DESIGN: These mule clogs are made of foam material for the utmost comfort, the slip-on construction makes them easy to take on and off and the pivoting heel strap offers a secure fit.

Equipped with ventilation ports to let your feet breathe while providing a pleasant experience when wearing all day. These casual shoes are water friendly which not only makes them excellent for the beach or pool but also easy to clean and quick to dry.

MULTI-PURPOSE: Great for your everyday house shoe when relaxing at home but also perfect for gardening, walking the dog, and taking a flight. A nurse might appreciate the blissful support and trendy style our platform clogs have to offer whereas a farmer would benefit from the water resistant and easy to clean material.

BOLD COLORS: Cape Robbin's clogs come in a wide range of solid colors to go with any season or theme. Brighten your day by making our yellow clogs the go-to summer shoes, guarantee you won't get pinched on St. Patrick's day with our lime green pair. Let our classic clog collection add a pop of color to your everyday work and/or play attire.

ELEVATED SOLES: Reach new heights with our all around platform sole clogs, the front end measures 2 inches high and the back measures 3.75 inches, guaranteed to lift your look and spirits! Stand tall in confidence and comfort with this double stacked rigid sole providing increased traction and stability.
