Rugged Flex - Carhartt's unique Rugged Flex technology moves and stretches with you throughout the day so that whatever you're doing, it's easier to do because you need gear that helps you move not gear that holds you back

Rubber Sole - shock absorbing traction In any environment. Perfect for indoors or outdoors.

Whether it's a casual stroll through the neighborhood or a cold muddy day on the job site, this versatile work boot keeps your feet supported and protected Rugged Flex Work Boots. If you can't quit, YOUR BOOTS CAN'T EITHER.

Whether you need protection for your toes or extreme comfort for your feet, our rugged boots come in safety-toe and non-safety toe to support your working conditions. Carhartt will continue to manufacture the most rugged and durable clothing and footwear for generations to come. Carhartt is proud to serve a variety of workers in many industries including construction and manufacturing along with farmers, ranchers, and outdoor enthusiasts.

The Carhartt Footwear Difference

Carhartt Footwear brings new life to an old concept; quality work footwear. We build footwear using the highest standards of design, componentry and construction to insure that the Carhartt product you are wearing stands up to the job you are doing. Premium materials throughout and attention to detail in the manufacturing process produce unmatched features and benefits. Proprietary outsoles and insoles are engineered to work together to provide optimal performance. Upper materials, like premium leather and synthetic fabrics, deliver long lasting durability. Multilayer shock absorbing and cushioning layers are used to enhance the fit and comfort of our boots and advanced foot beds work with your body to improve how the footwear performs. Our work footwear meets applicable industry safety standards. Since 1889, Carhartt has manufactured premium workwear known for exceptional durability, comfort and quality that you can feel in the materials and see in the performance.

Carhartt Men's Rugged Flex 6" Brown Composite Toe CMF6366

Carhartt 6" Rugged Flex Composite Toe Work Boot. We created this boot to be your go to everyday boot. These are designed to keep your feet safe without compromising on flexible comfort and support. Carhartt developed Rugged Flex work boots for hard working men and women who demand extreme levels of comfort, durability and safety. FastDry Technology Lining wicks away sweat for comfort and the Carhartt PU with Foam cushion insole provides comfortable support and reduces foot fatigue. An EVA midsole with PU strobil pad provide extra layers of cushioned comfort. The Carhartt rubber Rugged Flex outsole is cement constructed. If you can't quit, YOUR BOOTS CAN'T EITHER.

Rugged Flex Features

Additional polyurethane layers that sit under the insole maximize the cushion you want for the long days ahead.

Composite Safety Toe. Identifies protection against impact and compression hazards with a composite (non-metallic) safety toe. Composite toes meet ASTM F2413-18 standards.

Storm Defender

Electrical Hazard (Safety Toe). Identifies secondary protection against incidental contact with electrical circuits of 18,000 volts or less under dry conditions. Safety Toe EH styles meet ASTM F2413-18 EH standards.

Abrasion Resistant

Abrasion resistant heel bumpers provide extra-long wear for where you need it most. We believe that a work boot is an investment and we know you want your investment to last. The rubber heel bumper feature is designed to provide extra abrasion resistant durability.
