For optically clear and distortion free view, simply remove the protective film. These face shields come with a protective film. Once you receive the full face shield simply remove the protective film before use to activate the anti-fog and anti-blurr mechanism. Once the protective film is remove the anti fog adult face shield is optically clear and distortion free. You can still wear your prescription glasses while using it. The clear protective screen offers a good level of visibility.

Reusable. The reusable face shield can be washed and reused as it is made with high-quality and thick PET materials that allows you to experience additional protection and durability. The protective face shield can be cleaned and disinfected easily. It is made out of 55% PET, 20% elastic band, 15% foam and 10% PC materials. It is anti-fog , anti-dust, anti-blurr and anti-splash.

Full face coverage. With the dimensions of 12.6â€• width and 8.6â€• height it has widened face screen that adds additional protection and it has a soft foam strip plus an elastic band that holds away from the face which allows you to wear your glasses underneath. Adds protection for people working in restaurants, offices, retail or even in public places.

Cozy and comfortable while in use. The clear face visor is lightweight and adjustable because of the elastic band. The adjustable face shield offers additional protection against splashes. The adult face shield sits comfortably at the top of the head and doesn't fog up. With a circumference of 22.5â€• to 25.5â€• it has an universal fit.

Bonus item and protective films. As a bonus you get two cleaning microfiber cloths with each 5-Pack. The plastic face shield has protective films on both sides of the shield to prevent damage and scratches while in transit. With 2x Microfiber Cloths As A Bonus!

Get 2x microfiber cleaning cloths as a bonus! This makes cleaning the reusable Vyzor Face Shield super easy and fast. The Vyzor Face Shield is designed to act as an additional barrier from droplets and particles of other people. It is anti-fog, anti-blur and offers a crystal clear view. The plastic face shield has protective films on both sides of the shield to prevent damage and scratches while in transit. Please make sure to remove the protective film on both sides of the shield to activate the anti-fog and anti-blur mechanism.

Compatible To Use With Eyeglasses

You can wear your prescription glasses while using it and still feel comfortable. The Vyzor adult face shield is optically clear and distortion free.

Reusable and Easy to Clean

For washing and reuse. Wash in warm or cold water only. Use non-corrosive detergent only. Use non-scrubbing soft cloth only.
