Premium comfy fabric: The neck gaiter is made of stretchable, comfortable, breathable, and cool fabric that sits close to the skin. It is the moisture wicking and quick dry that keeps you a long time cool.

Multifunctional Uses - This neck gaiter could be used as a beanie, sports band, headscarf, face scarf, neck guard, face cover, balaclava, headgear, hair band, wrist band, and more.

Fitness Application - The neck gaiter is Windproof and Dustproof, UV-proof. Suitable for both indoor and outdoor activities like running, cycling, fishing, hunting, mountaineering, camping, hiking, motorcycling, and more.

Adjustable Drawstring : The neck gaiter has an adjustable rope to complement the elastic and stretchy material. It is very easy to fit perfectly into different head sizes without any hassles.

Reflective strips: The neck gaiter is specially designed with reflective strips which enhance your safety during a night ride. **Tajavl Summer Cooling Neck Gaiter With Drawstring**

Without mincing words, no conventional neck gaiter can match the efficacy of our neck gaiter. How? **Cool and Breathable:**

Our neck gaiter is made predominantly of cool and breathable fabric, and with this, you can count on optimum comfort whilst sun, dust, and wind protection.

Skin-friendly:

Despite the high functionalities of our neck gaiter, it is skin-friendly, wrinkle-free, lightweight, and it will blend very well with any of your favorite outfits.

Quick-dry and moisture-wicking function:

Our neck gaiter is very quick to dry when washed or used during an intense drizzling sunny day.

Plus, the moisture-wicking function makes it very easy to eliminate sweat and water from your skin during vigorous exercise.

Windproof and Dustproof:

If you love cycling when it is windy, then our neck gaiter is specifically designed for you. This is because the neck gaiter is completed with a drawstring which you can use to tighten it on your neck to prevent it from falling when it is windy out there.
