QGeeM's Thoughtful Design

24K Gold-plated connectors

Gold-plated connector are more corrosion resistant, ensuring maximum conductivity and efficient audio transmission. Fits snugly with the usb-c port on your device for stable signal transfer and easier to plug and unplug.

Advanced Aluminum Case

Minimize interference for stable Wi-Fi, offer fast heat-insulation and durabilityWith the sleek aluminum alloy shell, this hdmi to c cable provides better heat conduction, effectively increase safety.

User-friendly Non-Slip Design

User-friendly, no slippery, easier installment Nonslip design lets you plug/unplug with no effort Strengthened strain relief technique to be less subject to flickering

Steady Signal Transmission

With tinned copper inside, triple shielding outside and strict manufacturing technique, ensure that the USB C to HDMI adapter cable has steady signal transm-ission and reduce the rate of occurrence of lost signals.

Compatibility (Not a Full List)

QGEEM Type C to HDMI adapter ONLY works for laptops or smart phones having a USB Type C 3.1 or Thunderbolt 3 port interfaces which support "Displayport Alternate Mode". And This USB-C connector is reversible
